Be responsible to help prevent the spread of COVID-19

WASH YOUR HANDS OFTEN with soap and water for at least 20 seconds. If soap and water are not available, use hand sanitizer that contains at least 60% alcohol.

AVOID TOUCHING YOUR EYES, NOSE AND MOUTH with unwashed hands.

WEAR YOUR FACE COVERING in this facility. Make sure it covers your nose and mouth.

PRACTICE PHYSICAL DISTANCING by staying at least 6 feet from other people, when possible.

DISINFECT SHARED ITEMS (e.g., chairs, tables and computers) before and after use.

STAY HOME if you are sick, except to seek medical attention.
