# Function Codes

## General Education
- 11 General Academic Instructions
- 12 Vocational/Technical Instruction
- 13 Requisite Preparatory/Remedial Instruction

## Continuing Education
- 14 General Studies
- 15 Occupation-Related Instruction
- 16 Social Roles/Interaction Instruction
- 17 Home and Family Life Instruction
- 18 Personal Interests & Leisure Instruction

## Research Programs - State Funded
- 21 Institutes & Research Centers
- 22 Individual or Project Research

## Public Service
- 31 Direct Patient Care (Non E&G)
- 32 Health Care Supportive Services (Non E&G)
- 33 Community Service (Non E&G)
- 34 Cooperative Services (Non E&G)
- 35 Public Broadcasting Services (Non E&G)

## Academic Support
- 41 Library service
- 42 Museums and Galleries (Non E&G)
- 43 Educational Media Services
- 44 Academic Computing Support
- 45 Ancillary Support
- 46 Academic Administration
- 47 Course Curriculum Development
- 48 Academic Personnel Development

## Student Service
- 51 Student Service Administration
- 52 Social and Cultural Developments (Non E&G)
- 53 Placement and Career Guidance
- 54 Financial Aid Administration
- 55 Student Auxiliary Services (Non E&G)
- 56 Intercollegiate Athletics (None E&G)
- 57 Student Health/Medical Services (Non E&G)

## Institutional Administration
- 61 Executive management
- 62 Financial Management and Operations
- 63 General Administration and Logistical Services
- 64 Administrative Computing or Telecommunication Support
- 65 Faculty and Staff Auxiliary Services (Non E&G)
- 66 Alumni Records
- 67 Student Recruitment and Admissions
- 68 Student Records
- 68 Public Relations/Development

## Physical Plant Administration
- 71 Physical Plant Administration
- 72 Building Maintenance
- 73 Custodial Service
- 74 Utilities
- 75 Landscape and Grounds Maintenance
- 76 Construction Project Management

## Independent Operations
- 91 Independent Operations/Institutional (Non E&G)
- 92 Independent Operations/External Agencies (Non E&G)

## Non-Assigned Space
- 02 Custodial Areas (Non E&G)
- 03 Mechanical Areas (Non E&G)
- 04 Mothballed and/or Incapable of Use (Non E&G)
- 05 Public Rest Rooms (Non E&G)
- 06 Shell Space/Space Under Renovation (Non E&G)
- 07 Circulation Areas (Non E&G)
General Education
Includes all activities that are part of an institution’s Instructional Program.

11 General Academic Instruction
Includes space for programs associated with Academic disciplines offering credit courses, as well as space occupied and utilized by faculty associated with such programs (includes offices, conf rooms, lounges, etc)

12 Vocational/Technical Instruction
Includes space for programs that are part of the institutions formal degree or certificate programs that prepare student for immediate entry into specific occupation career, as well as space occupied and utilized by faculty associated with such programs (includes offices, conf rooms, lounges, etc)

13 Requisite Preparatory/Remedial Instruction
Space used for instruction to provide basic knowledge required by the institution before formal academic courses. General non credit courses.

Continuing Education
Includes all activities associated with instructional programs that are funded by the state appropriations and open to public

14 General Studies
Typically Administered by continuing education office funded by state appropriations. Programs are usually open to the general public and not part of degree or certification program.
Examples: continuing education classes in painting, sculpture, fine arts, foreign language for travel and computer literacy

15 Occupation-Related Instruction
Typically administered by a continuing education office funded by state appropriations. Programs are usually open to the general public and not part of a degree or certification program.
Examples: continuing education classes for physicians and nurses, real estate, word processing and spreadsheet classes or other non degreed Vocational/Technical courses.

16 Social Roles/Interaction Instruction
Typically administered by a continuing education office funded by state appropriations. Programs are usually open to the general public and not part of degree or certification program.
Examples: continuing education classes in civil defense, consumerism, and languages for persons seeking US citizenship.

17 Home and Family Life Instruction
Typically administered by a continuing education office funded by state appropriations. Programs are usually open to the general public and not part of a degree or certification program.
Examples: child development, gardening, do-it yourself repair, household budgeting.

18 Personal Interests & Leisure Instruction
Typically administered by a continuing education office funded by state appropriations. Programs are usually open to the general public and not part of a degree or certification program.
Example: speed reading, leadership development, folk dancing, personality development.
Research Programs- State Funded
Activities specifically organized to produce research results and funded by the state.

21 Institutes & Research Centers
Includes spaces for research activities conducted within the framework of a formal research organization
Examples: Agricultural Experiment Stations, Center for Behavioral Science and Center for Study of the Aging
Exclusions: Auxiliary Funded (55 or 56), Federally Funded Research (92)

22 Individual or Project Research
Normally managed within the academic departments and has a stated goal or purpose and projected outcome. Generally for a specific time period as result of contract, grant or specific allocation of institutional resources.
Exclusions: Personnel Development research (48)

Public Service
Programs making Institutional resources, services, and expertise available to the community-at-large.

31 Direct Patient Care (Non E&G)
Space for direct patient care (prevention, diagnosis, treatment, education, rehabilitation, etc)
Exclusions: Medical Services for students (57), Faculty staff (65)

32 Health Care Supportive Services (Non E&G)
Spaces that directly support teaching hospitals
Examples: blood banks, pharmacies, optical services, medical records, inpatient reception, admitting offices and credit offices.

33 Community Service (Non E&G)
Space providing resources, services, and expertise to persons and groups outside the context of regular instructions, research and support programs. Fee is often charged for service.
Examples: consulting services, summer camps for public school students, community meetings and recreational programs not a part of Student Service programs.

34 Cooperative Services (Non E&G)
Space providing resources, services, and expertise to persons and groups outside the context of regular instruction, research and support programs. Fee is often charged for service. Administration and fiscal control are cooperative efforts with outside agencies.
Examples: consulting services, soil testing, and seminars for companies or businesses.

35 Public Broadcasting Services (Non E&G)
Space provided for the operation and maintenance of broadcast services operated outside the context of the institution’s instructional, research and support programs. Usually receive funding from national public broadcasting agencies and listener support grants.
Exclusions: Broadcast student laboratories (11), student broadcasting clubs (52)
**Academic Support**

Provide support services for the institution’s primary mission for instruction, research, and/or public service.

### 41 Library Service
Centrally operated, staffed, and controlled library space. Separately funded and do not include departmental libraries furnished by department operating funds.

### 42 Museums and Galleries (Non E&G)
Space for collection, preservation, and exhibition of historical materials, art objects, scientific displays, etc.

*Examples: cataloging, reparinging, specimen photography, specimen identification, exhibits, reference services.*

*Exclusions: Research associated with museum (22)*

### 43 Educational Media Services
Space for audio, visual and other media that support instruction, research and public service.

*Exclusions: media production for institutional information, news or public relations (66)*

### 44 Academic Computing Support
Space includes mainframe computer rooms and computer maintenance areas. Often a part of a central mainframe center that additionally provides Administrative Computing or Telecommunications Support (64) and would therefore be prorated.

*Exclusions: Computer labs and study areas with computer equipment*

### 45 Ancillary Support
Space unique to a particular academic program or department.

*Examples: demonstration schools, planetariums, kilns, glassblowing shops, university presses, etc.*

### 46 Academic Administration
Space for academic deans, department heads, and their administrative staff. Also includes academic advising offices. *Deans and department heads who also teach should use Function Codes 46- Academic Admin and 11- Academic Instruction*

*Exclusions: Space assigned to administrative officers (vice presidents, vice chancellors, etc. = Executive Management (61)*

*Note: Deans and department heads who also teach should use Function Codes 46- Academic Admin and 11- Academic Instruction*

### 47 Course Curriculum Development
Space for formal planning and development. Generally such responsibilities are assigned to the academic vice president’s area.

### 48 Academic Personnel Development
Provides faculty with opportunities for academic growth and development. Includes departmental research areas when the research is for the professional development of academic personnel and not departmentally budgeted.
**Student Services**

Programs that contribute to emotional and physical well being of students as well as intellectual, cultural and social development. Programs are outside the context of formal instruction and research.

**51 Student Service Administration**

Space for the administration of student service activities

*Examples:* dean of students, dean of student personnel services, also international student advising when supported by state funds.

*Exclusions:* chief administrative offices (vice president or vice chancellor for student affairs) and offices for specific programs (placement, financial aid, etc)

**52 Social and Cultural Developments (Non E&G)**

Programs that provide social and cultural development outside formal academic programs. Typically supported by student fees and controlled by the student body.

*Typical Space Use Codes that apply:* 220, 310, 610, 620, 670, 680

*Examples:* orientation, students’ legal advising, student organizations, student newspapers, intramural athletics, art exhibitions, drama productions (including green rooms) & recreation

*Exclusions:* Intercollegiate Athletics (56)

*Note:* Typical Space Use Codes that apply: 220, 310, 610, 620, 670, 680

**53 Placement and Career Guidance**

Activities that are provided to assist students in obtaining employment upon leaving the institution.

*Examples:* Career placement offices, career counseling and guidance, and vocational testing services.

*Exclusions:* Offices that assist students in obtaining part-time employment as a means of defraying educational expense should be assigned to Financial Aid Admin (54)

**54 Financial Aid Administration**

Activities that are provided to assist students with financial aid.

*Examples:* Financial aid counseling and evaluation, financial aid records maintenance and reporting, student employment services and student loan offices.

**55 Student Auxiliary Services (Non E&G)**

Housing administrative services, food services, retail services, concessions and specialized services. Fee is often charged for services. If service benefits students, faculty, and staff, data is prorated to reflect Faculty and Staff Auxiliary Services (65)

*Examples:* Bookstores, cafeterias, snack bars, vending areas, photocopy area for fee, billiards rooms, and childcare centers

**56 Intercollegiate Athletics (None E&G)**

All areas involving intercollegiate athletics

*Examples:* Director’s office, coaches office, training rooms, dressing rooms, stadiums, gymnasiums, athletic meeting rooms, cheerleading offices, concessions, athletic fundraising areas and sports information offices.

**57 Student Health/Medical Services (Non E&G)**

Space for student medical care and services, behavioral counseling, wellness programs, dental care, rehabilitative care and patient education. Typically supported by fees from services rendered.

*Examples:* Infirmaries, student health services, counseling centers and wellness programs
**Institutional Administration**

Space for operations that provide planning and executive direction, public relations, employee services and student recruiting & admissions

**61 Executive management**
Includes boards of regents, chancellors, provosts, presidents, vice-chancellors, vice-presidents, vice-provost, and emeritus executive management administrators. Also includes offices that report directly to the chief executive officer: internal audits, risk management, affirmative action, institutional attorney, institutional planning, human resources management, and assistant to the president.

**62 Financial Management and Operations**
Space includes financial management and fiscal offices that generally come under the wing of the institution's chief fiscal officer.
*Examples: controller, business manager, bursar, payroll, accounts receivable, accounts payable, travel reimbursement, accounting, cashier, and internal auditing if auditor does not report directly to the chief executive officer*

**63 General Administration and Logistical Services**
Space used for administration of personnel programs, real and personal property management, purchasing operations, transportation, public safety, security.
*Examples: faculty/staff insurance administration, faculty/staff records, room scheduling, facilities management and reporting, campus police, purchasing, shipping, inventory control, central storage, campus mail, printing and duplicating services. Also includes affirmative action officers, human resource officers and risk manager who do not report directly to the chief executive officer*

**64 Administrative Computing or Telecom Support**
Space includes mainframe computer rooms, computer maintenance areas, telecommunication with rooms, and telecommunication maintenance rooms that provide administrative support. This is often part of central mainframe computer center that also provides Academic Computing Support (44)
*Examples: mainframe computer rooms, areas for software development, equipment storage, computer personnel offices and computer center reception areas*
*Exclusions: computer laboratories and study areas with computer equipment. Telephone switch areas that provide service to dorms are Student Auxiliary Service (55). Data for switch areas that provide both institutional and residential service is prorated Administrative Computing or Telecommunication Support and Student Auxiliary Services (55). Telephone closets are Non-Assignable Mechanical Areas (03)*

**65 Faculty and Staff Auxiliary Services (Non E&G)**
Areas provide housing administrative services, food services, retail services, concessions, and specialized services. A fee is often charged.
*Examples: faculty/staff clubs, coffee shops, lounges, wellness programs where fees are charged and childcare centers provided only for children of faculty/staff. Governmental relations other than those assigned to the institution’s legal office are also Faculty and Staff Auxiliary Services.*

**66 Alumni Records**
Spaces for operations that maintain relations with alumni.

**67 Student Recruitment and Admissions**
Activities in these areas include identification and recruitment of prospective students and the processing of admissions applications.

**68 Student Records**
Spaces used for maintaining, handling, and updating records for current and former students.
*Examples: Registrar’s office and transcript offices*

**69 Public Relations/Development**
Space used for operations that maintain relations with local community and general public about the institution.
*Examples: news and information offices that provides news releases, internal newsletters, institutional brochures and other publications*
Physical Plant Operations
Space for operations providing maintenance of buildings, grounds, utilities and planning future plant expansions and modifications

71 Physical Plant Administration
Space assigned to physical plant director, campus architects, and construction engineers.

72 Building Maintenance
Space includes Shops (720), Offices (310), and other areas required for the routine repair and maintenance of buildings and structures

73 Custodial Service
Space includes Offices (310) and other assignable areas required for custodial service.
Exclusions: Custodial Closets are Non-Assignable Custodial Areas (02)

74 Utilities
Space includes Offices (310) Shops (720) and other areas required to provide heating, cooling, light and power, gas, water and other utilities necessary for operation of physical plant.
Exclusions: Mechanical rooms are Non-Assignable Mechanical Areas (03).

75 Landscape and Grounds Maintenance
Includes Offices (310), Shops (720), Field Service Bldgs (560) and other areas required for grounds maintenance and landscaping

76 Construction Project Management
Space used by staff that manages/oversees construction projects

Independent Operations
Space owned or controlled by institution as an investment OR owned by institution but leased and/or controlled by an outside agency.

91 Independent Operations/Institutional (Non E&G)
Space, usually designed to generate income, services activities unrelated to institutions mission and not intended to provide services to students, faculty/staff. Institution controls the space.
Examples: Commercial Rental Space, Conference Centers, independent school districts within the institution and development/fundraising offices.

92 Independent Operations/External Agencies (Non E&G)
Space controlled and/or leased to outside agencies, including state agencies.
Examples: federally funded research centers. Also, when one institution leases and/or controls space on another institution’s campus, the institution owning the space reports it as Independent Operations/Institutional (91), and the institution controlling the space should report its actual usage.
Non-Assignable Space

Space not assigned directly to support programs but necessary for general operations of a building

02 Custodial Areas (Non E&G)
Space used for the protection, care and maintenance of a building
Examples: trash rooms, custodial rooms, custodial locker rooms, and custodial storage/supply room.

03 Mechanical Areas (Non E&G)
Includes rooms that house mechanical equipment such as central utility plants, boiler rooms, air conditioner/air handler rooms, mechanical shafts, telephone closets, air ducts, etc. Elevator space also may be included in this category

04 Mothballed and/or Incapable of Use (Non E&G)
Space is temporarily not assigned, scheduled for demolition, or terminated/withdrawn from service.

05 Public Rest Rooms (Non E&G)
Rest rooms accessible to public.
Exclusions: Private rest rooms are service areas.

06 Shell Space/Space Under Renovation (non E&G)
Unfinished space designed to be converted into usable space.

07 Circulation Areas (Non E&G)
Space includes areas of common access, transit, or general use that are accessible to the public and not used for instructional purposes.
Examples: atriums, entrances, hallways, passageways, walkways, lobbies, corridors, foyers, reception areas, waiting rooms.
